

Hang on to this book for year-round adventure!

This third edition of "Eastern Idaho Sweet Spots" offers outdoor enthusiasts a lifetime of places to explore, hike, climb, ski, mountain bike and just have fun.

This edition nearly doubles the content of the previous book, including dozens more hiking and biking trails and literally hundreds of climbing routes and areas. Find accurate maps inside, diagrams and directions.

CLIMBING

Nine new areas have been added to the 13 areas of the last edition. Among them is an updated and complete guide to Massacre Rocks. As well as expanded and current information to The Fins.

MOUNTAIN BIKING

10 more primo trails from the Continental Divide, to the Big Hole Mountains and the Tetons.

**NORDIC SKIING/
SNOWSHOEING**

Dozens of trails to keep skiers busy all winter.

**FIND MORE TRAILS FOR
HIKING/PEAK BAGGING**

These trails and peaks will keep hikers busy all summer.

Get this book to complete your purchase of that mountain bike, pair of climbing shoes or cross-country skis.
